

Model: HELSINKI UK s ESD

Protection Class: S3S CI LG SC FO SR

Article: 0RI11014

EU Norm: EN ISO 20344:2021

DESCRIPTION

High-cut and robust work shoes with upper in **water repellent**, soft and resistant pull-up leather.

Safety shoes with **Airtoe composite toe cap** and **Save & Flex Plus** fabric **anti-perforation system**, sewn directly onto the upper to guarantee **100% protection** over the entire surface of the foot. The **highly breathable** air tunnel inner **lining** guarantees foot health and well-being. Comfort is increased by the **WOW2 insole** **** which, thanks to its self-modelling arched insole structure with **anti-fatigue insert**, allows for a reduction in body stress and better stability and balance, guaranteeing **greater safety** and a feeling of **long-lasting well-being**. **Men's safety shoes**, also ideal for women, suitable for use in **damp and cold environments** such as **farmers** and **gardeners** but also for **craftsmen**, **electricians**, **plumbers**, **carpenters**, **painters**, **gas station operators**, **workers**, **construction sites** and **builders**, **mechanics** and **tyre repairers**, **transport** and **logistics**. **Anti-slip work shoes** with **oil-resistant**, **anti-static**, **abrasion-resistant** PU/PU sole and special **protection from the cold** (at temp. $\leq 10^{\circ}\text{C}$.).
